This workshop has been designed to provide in-depth pool management instruction as well as the information needed to sit for the PA Department of Agriculture Pesticide exam. To become a Certified Pesticide applicator, one must take and pass a core written examination and a category - specific exam ( ie., swimming pools, lawn and turf, etc.). This workshop will focus its attention to the core information including but not limited to; Introduction to Pesticides, Federal and State Laws, Pesticide Safety, Toxicity, Health Issues and Emergencies along with Pesticide Formulations, Label Content and Environmental effects. The content of the class will also discuss information specific to Swimming Pools, category 24, such as pool calculations, water balance and testing, Sanitation/Oxidation, Filtration, and Pool and Hot Tub safety.

**Exam Information**

The Pesticide Applicator Certification Test will be administered by the Pennsylvania Department of Agriculture. The exam will be given in the morning on the second day as long as ten or more register for the exam. The exam is two parts: the core exam is \$60 and the category 24 (Swimming Pools) is \$10. These two exams (the core and at least one category) must be passed within 180 days of one another for certification of the individual. The exam can also be taken at Regional PA Department of Agriculture Offices.

Additional Study Guides and Support information which is highly recommended by the PA Department of Agriculture can be purchased through The Pennsylvania State University Publication Distribution Center toll free at 1-877-345-0691 or locally at (814) 865-6713. Call to get pricing information. Telephone orders are only accepted with a Visa or MasterCard. Hours of operation are Monday through Friday 8:00 a.m. - 5:00 p.m.
